

Letters for the Grade 1 Graphophonemic Knowledge (GK) Tasks

The first grade GK tasks require the student to move letters on the task board to form words. The letters are color coded to easily identify the letters used for each GK task. The Teacher's Guide indicates which letter set to use with each GK task. Print these letters in color, on heavy paper or card stock. Cut along the dotted lines so that each letter is separated. For ease of use, store each color set in a separate bag or envelope. If available, you may use plastic lowercase letters in place of these.
